According to this surplus entries will rejected with priority to the distances of 200m and higher. The approved entries of a competition will be divided equally among the respective age groups, depending on the entry time. That means, the fastest entries of the respective age group take priority.

Even entries within the standard times and faster will be included in case to a necessary limitation procedure.

Distance	Limitation possible to heats
50m Freestyle	50
100m Freestyle	40
200m Freestyle	15
400m Freestyle	6
50m Backstroke	35
100m Backstroke	30

8.2.General limitation-complete competition

The organizer reserves to himself in case of far beyond the competition frame incoming entries, to close the acceptance of entries already earlier than final entry date. The order of rank of the incoming registrations is crucial. The announcement of such an action takes place simultaneously at the ISM-homepage.

9. Final heats qualification

- Finals 50m races: The 10 fastest swimmers of each age group will be qualified to the corresponding final heat.
- Finals 100m races, open group: The 10 fastest swimmers of **all** age groups will be qualified to the A - final heat
